Seclusion, Seduction and Indulgence.

Woodbridge Hill Hideaway

# *Indulgence*

*At the heart of  
one of Tasmania's  
fine food regions*

Woodbridge Hill Hideaway links two of Tasmania's best known food and wine regions; the famous Huon Valley and the Channel – regions that are spectacular in their natural beauty.

Look over to the waters of spectacular d'Entrecasteaux Channel. Or cast your eyes further afield to Bruny Island, the Tasman Peninsula, and even to the distant east coast peaks of Maria Island and Freycinet.

*Exclusively  
yours,  
hidden from  
everything  
but the view*

Move in and your cabin is lined with rare Tasmanian timbers rescued from old growth forests, local artwork, exquisite glass detail and quality fittings.

Prepare your own gourmet meals in the fully self-contained kitchen from fine Tasmanian produce, or enjoy a barbeque on your private covered deck.

Your Woodbridge Hill Hideaway cabin is eco-friendly, double-glazed and fully insulated. The environment on the inside is as comfortable as that on the outside is breathtaking.

# *Seduction*

Soak in the double spa and enjoy a bottle of champagne. On a warm day enhance your spa experience by opening the windows to the deck and the view beyond.

On cooler nights, wrap yourself in the robes provided and cuddle up on the luxurious leather lounge in the warmth of the wood fire. Retire to the luxury linen of the queen-sized bed and wake to the romance of the sunrise over the Channel.

When you choose to venture outside your cabin you can swim in the magnificent Woodbridge Hill Pool, yours to enjoy alone through private bookings. Or stroll hand-in-hand through ten acres of landscaped gardens or take a hike along trails through the 100 acres of native bushland.

Plan your day's indulgence over breakfast (we provide the ingredients – bacon, eggs, cereal and a full range of condiments). Research your day on the internet – each cabin has free wi-fi available – or ask your hosts for the low-down on the best of the best.

*Designed  
with your  
romantic  
escape  
in mind*

Lunch at Peppermint Bay, Oyster Cove Inn or Fleurty's? Or maybe dinner at the Red Velvet Lounge in Cygnet? Or cook your own in your unit with salmon and seafood from the Peppermint Bay Providore, cheese from Grandvewe, the freshest of fruit and vegetables from any number of the roadside stalls and wine from nearby Hartzview, Panorama or Heron's Rise vineyards.
